

Kauai County Farm Bureau Annual Scholarship Program

Criteria for Scholarships Awarded:

Up to **four (4) \$1000.00** scholarships will be awarded each year to Kauai residents studying an agricultural related field. High school graduating seniors, undergraduate students and graduate students may apply. Agricultural fields include: general agriculture, animal science, aquaculture, or a closely related field. Food science and nutrition majors do **not** qualify. Up to **two (2) \$1000.00** scholarships will be awarded each year to Kauai residents whose parents or guardians are members of Kauai County Farm Bureau. High school graduating seniors and college/university students may apply.

- 1) The scholarships will be awarded on the basis of recent scholastic achievement, participation in school and community activities, and agricultural experiences.
- 2) KCFB Farm Family scholarship applicants may earn additional points based on family participation/volunteerism in Kauai County Farm Bureau activities.
- 3) Students may apply for either or both programs, but only ONE scholarship will be awarded to each qualifying student.
- 4) Students may qualify for more than one year for the program, but must complete and submit a new application each year. To maximize the number of students benefitting from the program, the scholarship committee will award the same student no more than **two** years in a row, and then implement a one(1) year break before considering the same student for another **two** years.

Application Materials and Submission Instructions:

The following must be submitted for consideration when applying:

- **Completed** Application (form attached)
- Most recent official transcript (High school or College)
- Three recent letters of personal reference

PLEASE SUBMIT APPLICATIONS BY MAIL:

KCFB Scholarship Committee
